

DIBELS® Oral Reading Fluency

Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket (|) after the last word provided by the student, stop and reset the stopwatch, and say, ***"Stop."*** (remove the passage)

The Snow Person

This morning when I woke up it was freezing cold. I looked out and the ground was covered with white. It had snowed during the night. Mom said there would be no school because of the snow. She said I could go outside and play in the snow. I had to eat a hot breakfast first.

I dressed in my warm clothes. I wore mittens and a stocking cap. Mom helped me with my rubber boots. I was so bundled up I could hardly walk.

The grass was covered with soft snow and it was very quiet. Then all my friends came out to play. It wasn't quiet for long! My friends helped me make a snow person. We made snowballs first. We rolled them up until they were big. Then we stacked three big balls of snow on top of each other.

Mom let us use one of Dad's old hats. We used rocks for buttons and eyes. My friend found a carrot to use for the nose. We made arms from branches and ears from small snowballs. Our snow person sure looked handsome.

Then we lay down on the snow. We moved our legs and arms back and forth. That's how you make snow angels. Mom brought out cups of steaming hot chocolate. They had marshmallows on top and tasted wonderful.

The next morning all that snow had melted. Only the hat lay where the snow person had been.
