

## DIBELS® Oral Reading Fluency

### Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

***Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.***

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket ( **|** ) after the last word provided by the student, stop and reset the stopwatch, and say, **"Stop."** (remove the passage)

## ORF Progress Monitoring 7

### The Cell Phone

My dad has a cell phone. He's a salesman and drives all over the state. He uses the cell phone to let people at his work know what his customers need. He can ask someone at the office to help a customer before he returns. He can call home and tell us he's going to be late.

Until last week my mother didn't have a cell phone. She said she didn't need one. She said we had more important things to spend our money on. Then on the way home her car ran out of gas. She was way out in the country. It was almost dark. She had to walk a long way to a house and ask to use the phone. Then she had to walk back to the car and wait for the tow truck to come.

When she tried to call us our line was busy. I started to worry because she was very late. My dad didn't know where she was. Finally she got home. It was almost my bedtime.

My mom said, "I think I am ready for a cell phone now."

My dad said, "You are right. We will buy you one tomorrow.

Then you will feel safe and I won't worry."
