### Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin. Start your stopwatch when the student says the first word of the

At the end of <u>I minute</u>, place a bracket ( ] ) after the last word provided by the student, stop and reset the stopwatch, and say, "Stop." (remove the passage)
