

ORF Progress Monitoring 2

Twins

Six years ago my family grew from two people to four people in one day. That was the day my sister and I were born.	11
That was the day Mom and Dad had to start buying two of everything. My mom and dad say we were much more than twice the work of one baby. They also said we gave back more than twice as much love and fun.	25
We look just alike because we are identical twins, but we don't act just the same. My sister likes peas and beans and I hate them. I like grape juice and she likes apple juice. She likes to read. I would rather climb a tree than read a book.	38
Mom and Dad are the only ones who can tell us apart when we dress the same. They know the secret. I have a mole on my ear and my sister doesn't. We look so much alike that we can even fool Grandma and Grandpa.	49
It's nice to be a twin sometimes. We always have someone our own age who will share our secrets. Sometimes we don't want to share everything. Sometimes it is nice to have my mom or my toys all to myself. Dad says we aren't really that much alike because no person is exactly like anyone else.	62

DIBELS® Oral Reading Fluency

Short Form Directions

Make sure you have reviewed the long form of the directions in the *DIBELS Administration and Scoring Guide* and have them available. Say these specific directions to the student:

Please read this (point) out loud. If you get stuck, I will tell you the word so you can keep reading. When I say "Stop," I may ask you to tell me about what you read, so do your best reading. Start here (point to the first word of the passage). Begin.

Start your stopwatch when the student says the first word of the passage.

At the end of **1 minute**, place a bracket (**[]**) after the last word provided by the student, stop and reset the stopwatch, and say, ***"Stop."*** (remove the passage)
